SASKATCHEWAN

ADMINISTRATIVE NOTICE

Template Receivership and CCAA Initial Orders

This Notice replaces the Administrative Notice issued June 20, 2013.

In June 2006, the Court of Queen's Bench endorsed a template receivership order and accompanying explanatory notes for counsel's use in proceedings before the Court. In June 2008, the Court endorsed a template *Companies' Creditors Arrangement Act* initial order and accompanying explanatory notes for applications under that *Act*. In September 2009, as a result of amendments to the *Bankruptcy and Insolvency Act* and the *Companies' Creditors Arrangement Act*, the Court again, through its Bankruptcy and Insolvency Panel in consultation with the Bankruptcy and Insolvency Section of the Canadian Bar Association, Saskatchewan Branch, revised both template orders.

As a result of legislative changes and development in the law, further revisions to the template orders have been proposed by the Bankruptcy and Insolvency Section. Those changes have been endorsed by the Court on December 6, 2017. The two revised template orders, the Electronic Case Information and Service Protocol, and the explanatory notes are attached.

Any counsel who intends to apply to the Court for either a receivership order or a CCAA initial order is directed to utilize these template orders, and to advise the presiding judge of any additions or changes to those orders by way of highlighting in bold letters or black-lining. While the discretion of any presiding judge is unfettered by the use of these template orders, it is expected that any draft orders presented by counsel in an application will be substantially in compliance with the template orders.

This Administrative Notice is issued this 20th day of December, 2017.

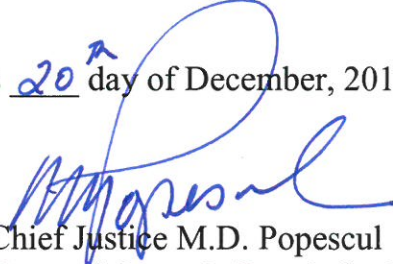

Chief Justice M.D. Popescul
Court of Queen's Bench for Saskatchewan
